Benefits of the website

Keep track of your information such as your fund credit, contribution history, as well as your salary history.

View your specific portfolio information and make an investment switch online. (The member website will automatically keep track of your investment history.)
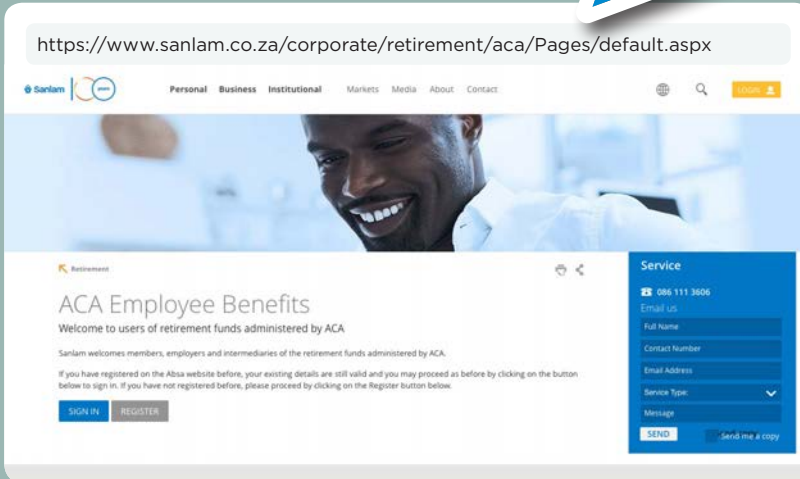

You are able to **update your nomination of beneficiaries** in respect of your retirement fund and group life scheme electronically.
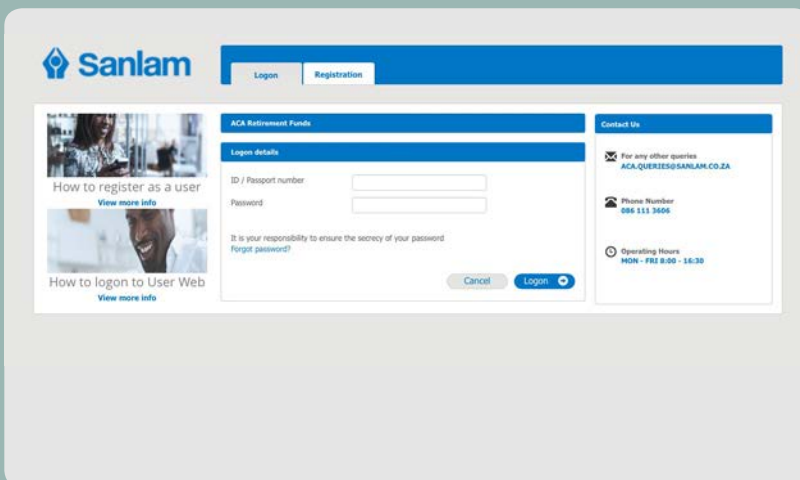

Access to the retirement fund member website is password protected with all the necessary security measures in place to ensure the confidentiality of your personal information.

Logon

https://www.sanlam.co.za/corporate/retirement/aca/Pages/default.aspx

If you have previously registered you will not be required to make any changes and can Sign In with your ID number and password.

Type **https://www.sanlam.co.za/corporate/retirement/aca/Pages/default.aspx** in your web browser and click on Sign In.

If logon failed you will be requested to insert a security code in the box provided on your next attempt. Click on the Sign In button to continue. (If the code is unclear, refresh and try again)

If you have not yet registered, please register first. After successful registration you will be able to Sign In to your member record every time by simply entering your ID number and current password.

Now that logging on is that simple, you can enjoy viewing your member record and updating your nomination of beneficiary forms on a regular basis.
