

Give Your Child The Best Education With **Sanlam Goal Manager**

You want your child to have the best of everything, **especially the best education**, but there are certain challenges that make saving for education difficult.

YOUR CHALLENGES

To ensure you have the right amount saved when the time comes, you need to:

-  Predict the **future cost of fees**
-  Work out **how much to save** every month, taking inflation into account
-  Constantly review your progress and adjust payments to **make sure you're on track**

“It all starts with understanding where you’re at now and where you want to go, and committing to your goals as early as possible.”

OUR SOLUTIONS

To help you overcome these challenges and give your child the best possible education, we’ve developed Sanlam Goal Manager that not only helps you and your financial planner set your savings goals and plan your savings journey but also helps you to achieve them.
