

Calling all Matriculants

We are Wealthsmiths™. For 100 years we have been in the business of planning futures – it is more than our job, it is our trade. Our attitude is one of proper dedication to doing what we do exceptionally well.

actuarial bursaries

Part of our commitment to our trade is recognising that for one to be a master in their trade, support is a key ingredient. That is why

we offer bursaries to scholars who have enrolled to study actuarial science in 2020.

Who are we looking for

If you are a whiz at maths, enjoy a good challenge by solving difficult problems and are willing to remain focused and disciplined through years of studying and training, then you are just who we're looking for.

What do we offer

- Tuition and accommodation fees
- General allowance (Books and pocket money)
- Mentoring and academic support from Sanlam actuarial professionals
- Vacation work and networking opportunities with Sanlam staff
- Guaranteed employment after completion of studies
- Continued support and payment towards actuarial board exams
- Range of work rotation opportunities across a broad spectrum of disciplines

What do we require?

- Final Grade 11 results and Grade 12 mid-year 2019 results as well as NBT results
- Certified copy of your identity document (ID)
- Final grade 12 results may be used as determining factor
- An above 90% score in Mathematics and an overall A aggregate
- A motivation to support your application that answers the following questions:
 - In your own words, can you describe what an actuary does?
 - Why do you want to study actuarial science?
 - Why do you believe you have what it takes to become an actuary?
 - Why should Sanlam choose you to be a bursary holder?
 - If you are not successful at becoming an actuary, what other career paths are you considering?

How do you apply?

All applications need to be completed online via the [Sanlam Career Opportunities website](#).

It is important that you submit the following documents with your application:

- Your CV
- A certified copy of your ID
- Final Grade 11 results and Grade 12 mid-year results
- A letter of motivation letter to support your application

We are committed to embracing and accelerating transformation. In accordance with Sanlam's employment equity plan, preference will therefore be given to suitably qualified candidates from the designated groups (Black South Africans i.e. African, Coloured and Indian scholars).

Closing Date: 30 June 2019
