Opinion

We have audited the summary financial statements of Sanlam Kenya Plc, which comprise the summary consolidated statement of financial position at 31 December 2020 and the summary consolidated statements of comprehensive income, changes in equity and cash flows for the year then ended which are derived from the audited financial statements of Sanlam Kenya Plc and its subsidiaries (together, the "Group") for the year ended 31 December 2020. The Group's financial statements are prepared in accordance with International Financial Reporting Standards and the Companies Act, 2015.

In our opinion the accompanying summary financial statements are consistent, in all material respects, with the audited financial statements of the Group which are prepared in accordance with International Financial Reporting Standards (IFRS) and the Companies Act, 2015.

The summary directors' remuneration report is derived from the directors' remuneration report for the year ended 31 December 2020.

Summary financial statements and directors' remuneration report

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards and in the manner required by the Companies Act, 2015. In addition, the summary directors' remuneration report does not contain all the disclosures required by the Companies (General) (Amendment) (No. 2) Regulations, 2017.

Reading the summary financial statements, the summary directors' remuneration report and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements, the directors' remuneration report and the auditor's report thereon. The summary financial statements, the summary directors' remuneration report and the audited financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited financial statements.

The audited financial statements and our report thereon

We expressed an unmodified audit opinion on the audited financial statements in our audit report dated 26 March 2021 and also confirmed that the auditable part of the directors' remuneration report was prepared in accordance with the Companies Act, 2015. That audit report also includes the communication of key audit matters. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period.

Directors' responsibility for the summary financial statements

The directors are responsible for the preparation of the summary financial statements and the summary directors' remuneration report in accordance with the International Financial Reporting Standards and Companies Act, 2015.

Auditor's responsibility
