## Everyone deserves a dignified and affordable farewell

Death is something that comes suddenly and the loss of a loved one can be emotionally overwhelming. When you lose a loved one, there are many decisions and arrangements to be made, and these have to be made at a time of personal distress, and within a short timeframe. In addition to the stress of your loss, often there is also the financial stress to be dealt with, because funerals usually catch us unprepared.

## Funerals often leave families in debt. Have you ever thought of how your family will be able to afford your funeral?

Funeral costs can run into tens of thousands of dollars, money which no-one ever has lying around. The costs usually include food for mourners, transport, coffin, grave costs, paying the funeral parlour, making numerous telephone calls, among other things.

With such heavy costs, it is a good thing to make adequate funeral provision, not only for yourself, but for your family as well. This will ensure that you and your loved ones get a decent, dignified and less stressful send off.

Sanlam has the perfect product to assist you to make provision for your funeral or that of a loved one - the Sanlam Funeral Policy. Starting from as low as N\$20, the Sanlam Funeral Policy is affordable, and it can also be tailored to cover you, your immediate and extended family.
