

Healthcare

Does your medical scheme option meet your needs?

Choosing a medical scheme and the appropriate option to meet your unique healthcare needs can be very daunting.

The good news is that you don't have to struggle any further to understand the various benefits and cost structures associated with the multitude of medical schemes and gap cover providers in the market today - Simeka Health can help you make the right choice.

Appropriate advice

Our accredited healthcare advisers can assess your needs, provide you with a comparative quotation and advise you on the appropriate medical scheme and gap cover insurance solutions to suit your unique circumstances, without any cost or obligation.

Will you have the **cover you need in an emergency?**
Are you getting **good value for money?**

Help when you need it

Our skilled and accredited consultants can:

- » Assist with unresolved claims and benefit queries
- » Explain the benefits and administrative procedures of your medical scheme
- » Provide product information
- » Support you in dispute processes with medical schemes and service providers
- » Advice on medical scheme option changes and premium changes upon year end renewal dates - specifically around benefit and premium changes
- » Advice on gap cover options.
